

Welcome

to

The Grange Bowls & Tennis Club

Tennant Close (off Stanley Road) Rugby

CV21 3UE

Website: grange-rugby.co.uk

Welcome

We are delighted that you have chosen to join our small but perfectly formed club.

By now you will have received your membership confirmation and as such you will be given the security codes to access various parts of the club premises.

Whether you have joined us as a full, roll up or social member, you will be made to feel very welcome.

Our Facilities

We boast a fine bowls green and two pristine tennis courts for your entertainment. Our clubhouse consists of a bar, kitchen, male and female changing rooms and a main entertainment

room. Our internal sports facilities include Pool, Darts and Skittles. We also have a Short Mat Bowls carpet and play this in the winter months.

The bowls green is open for play from mid-April to late September. The tennis courts are open all year round subject to the weather.

We have ample off-road car parking spaces and our premises are covered by CCTV for your protection.

Full Member

As a full member you are entitled to use both the bowls and tennis facilities. You will also be eligible for selection to play and represent the club at all levels and take part in all internal club matches. As a full member you will be registered with the EBA (English Bowls Association) and this will qualify you to enter all EBA National Bowls Competitions. If you are new to the sport, you will get a reduced introductory rate of membership

Roll Up Member

This only applies to bowls players. A roll up member enables you to use the bowls green facilities when no matches are on.. The fee is less than full membership. It does mean, however, that you are not entitled to play in club matches unless invited to do so.

Social Member

As a social member you are entitled to use the clubhouse facilities and bar throughout the year.

The Clubhouse

The clubhouse is open every Friday evening from 7:30pm till 11:00pm throughout the year. It is open whenever there is a

bowls or tennis match. It is also open for special social events throughout the year. Our bar prices are probably the lowest in the town.

Bowls

Our bowls green is only used during the spring and summer months. It is strictly out of bounds in the winter. As a full member you will be invited to play in organised matches. These usually take place in the evenings and on some afternoons on week days and mostly in the afternoon at weekends. There are many such matches and you will be encouraged to join in and play in them, even if you are a beginner. We can also arrange some coaching lessons with our two resident coaches.

As a full member or roll up member, you will have full access to the bowls green after 10:00 am whenever there is no match being played. All matches are advertised in our fixture

booklet that is distributed to members at the time of paying your membership fee. You can have a roll up on your own or get together with other members and enjoy a friendly game. You will be given the combination to the bowls kit shed so you can access the mats, jacks and other equipment. At the end of play please ensure you put everything away as you found it

You can book a rink by using the booking form located in the clubhouse. Some matches do take priority over roll ups. These matches are indicated on the booking form.

What do I wear?

There is a formal dress code within the rules of bowling. The most essential rule is that flat soled shoes must be worn

on the bowls green at all times. The club does have a selection of used bowls clothes, including some bowls shoes, and for a small donation, new members are invited to try and buy. We also have a small selection of bowls that you are welcome to try before you fork out for a new or used set. Once you start representing the club you will be expected to purchase a club polo style shirt.

Tennis

The two tennis courts can be used throughout the year. They have recently been resurfaced and are probably some of the best courts in Rugby. The tennis section holds

social tennis sessions throughout the year. These

sessions are designed for all members to attend and play friendly games, usually as doubles matches. They are as follows:

Wednesday Mornings from 09:30 to 11:00

Saturday Mornings from 09:30 to 11:00. This is subject to league matches and in the event of a league match the social session normally will start at 09:00 to 10:30. All league matches are advertised in the noticeboard located by the tennis courts.

Tuesday Evenings from 5:30pm till dark. This session only runs in the summer months .

There is also a retiree's group that play on Monday mornings from 09:30am to 11:00am. This group is run by one of our senior players and is by invitation via a WhatsApp Group for retired tennis players.

Are you a competitive player?

The tennis section take part in both Summer and Winter leagues. They enter teams in the Northampton, Coventry and Rugby district leagues. There is mixed Doubles . Men's Doubles, Ladies Doubles as well as a veterans Leagues. So you will have plenty of options if you want to enjoy the thrill of playing against other clubs.

As a full member you will be entitled to use the courts at any time unless there is a league match in progress. You can book a court on our club website

Who does the hard work?

Your club is run by volunteers. We do employ a green keeper who looks after our bowls green. He looks after three greens in Rugby. All other work is carried out by unpaid volunteers.

Other work that has to be carried out includes, cleaning, catering, gardening, and general maintenance of the grounds and buildings. On top of this we have to raise funds to pay for utility bills, insurance, security and many other expenses associated with a large premises.

Paying the bills

We raise funds in a variety of ways including bar takings, annual subscriptions, social events, match fees and also run a club lottery.

Who runs the club?

The club is managed by various committees. There are separate committees who run the Social, Tennis, Bar, and Bowls sections. There is also a general committee who run all the day to day aspects of the club on behalf of the members.

This committee is elected annually at our AGM. Ultimately they are responsible for finance, safety,

maintenance, legalities and suchlike. They are all volunteers and help us to provide and maintain the excellent facilities we so proudly offer.

Who's who?

Details of who our committee members are is posted on the club notice board. We encourage our members to get involved, even if you can only spare an hour or two, it will be very welcome and extremely useful.

Please come and talk to us if you think you have something to offer.

General Information

As a member of this club you can invite friends or members of your family to experience bowls or tennis for a small guest fee, this is currently set at £2. You can do this up to 5 times within our membership year. If that person then goes on to join the club, any monies paid as a guest fee will be deducted from the annual membership joining fee.

Feeling Lucky

We run a club lottery. This is drawn every two weeks and it helps raise essential funds for the club.

Winter months and Social Events

We are members of the Dunchurch and Rugby Skittles League. We enter a Ladies team who play on Monday evenings, and a Men's team who play on a Wednesday evening. Both teams play throughout the winter months.

We have also recently introduced Short Mat Bowls. Throughout the year, but mainly during the winter months, the club run social events. These include a

Summer Fete, a Christmas Fayre, Games Nights, Horse Race Night, Sunday Lunches and Quiz Nights. So you get loads more than bowls and tennis.

Special Occasions.

As a member of this club you will also get very competitive rates for the hire of our club facilities. This could be for

Birthday Parties,
Funeral Wakes,
Anniversaries and

suchlike. Any
requests would be
subject to

committee approval
and subject to availability.

We Need Volunteers

We are always on the lookout for volunteers to help run the many different aspects of the club. Our regular Maintenance Team meet generally one morning a week, usually a Tuesday, throughout the year. The team carry out essential repairs. We have a cleaning rota to keep the club spick and span. We also have a bar rota to keep our members well watered and refreshed

Can you spare some time?

If you have any spare time and want to join any of these groups of helpers, you will be most certainly welcomed. Just speak to any committee member

Stay Healthy

For your health and safety we do not allow

smoking or vaping in any part of our clubhouse.

This also applies to the bowls green, tennis courts and internal car park. There is a designated external smoking area.

Safety.

For your safety we have designated Safeguarding Officers. Their details are posted in the clubhouse. We also have a code of conduct to ensure everyone is treated fairly and with respect.

Who can Play?

Our bowls and tennis facilities are open to a wide range of ages. Juniors can play from the age of 10 as long as they are accompanied by an adult (special dispensation of this rule may be given at the discretion of the committee). There is no upper age limit.
